Facebook: [@ConstanceRayAFA](#)

Mission:

To create fully accessible communities by helping business owners understand ADA compliance requirements from a life experience perspective.

Team:

Constance Ray (Addie)

Position: Owner/Operator, Inspector

Biography:

I have always had a passion for disability advocacy related work due to the fact that I developed Cerebral Palsy as a result of being born premature and had to self advocate from a young age. I was born and raised in Mobile, AL After graduating from W.P. Davidson High School, I attended the University Alabama 2012-2014. Upon returning home, I was determined to raise awareness about disability issues. That determination eventually lead me to start Access For All, LLC.
